

SOMERS POINT BAYFEST

The City of Somers Point and The Somers Point Bayfest Committee are already planning for the 21st Annual "Bayfest" and are hoping you will join us in presenting this fun and unique festival to Historic Bay Ave. in Somers Point.

With over 40,000 people attending, this one day festival has grown into the single largest festival down the Jersey Shore. We offer over one hundred "hand made" crafts, environmental exhibits, nautical and marine displays, forty different food venues, four live music bands, children's activities and games, plus much more.

Bayfest celebrates the Somers Point's environmental, economic, historical and cultural link with the Great Egg Harbor Bay.

This year's Bayfest will be held from 10:00 am until 5:00pm on April 25, 2009.

Bayfest offers an excellent sponsorship opportunity for businesses which like to be associated with an event that appeals to such a large range of individuals, boaters, environment enthusiasts, craft lovers, families, children and all of us who enjoy celebrating the beginning of spring.

Financial support not only helps us make each year's Bayfest bigger and better, we are also able to give back to our community. Last year we donated \$4,000 to help the Somers Point Police Department obtain a police dog, \$16,000 to Public Works to purchase a new generator and \$1,600 for new trash cans on our pike path. Over the past couple of years, we have donated \$20,000 to the "Bud Kern Field," a children and adult sports complex, \$1,000 to the Commutation Arts Department at Mainland High School, \$8,000 for a new children's "Jungle Jim" on the beach and \$10,000 for the US American Banners that are placed up and down Bay Ave., just to name a few of our projects.

Please review the enclosed sponsorship information. You can also go to our newly designed web-site at HYPERLINK "<http://www.somerspointbayfest.com>" www.somerspointbayfest.com , where you will find much more information and easily download a sponsorship form.

I look forward to hearing from you and answering all your questions.

Sincerely,

Geoffrey Hieb
